

DIESEL DIRECT HAS AN IRRESISTIBLE OFFER FOR SERVICING YOUR FLEET'S DEF NEEDS!

We automatically replenish your vehicle's DEF Tank on a scheduled program and manage your fleet's data seamlessly by capturing all the pertinent information. We also provide the necessary detailed reports for accurate billing.

Our DEF Direct Offer provides a DEF Program at a lower cost and a guarantee of service and safety. Choose DEF Direct to reduce your risks and save time & money!

Here is how our DEF Direct Program works.

We guarantee the following:

- 1.** Formaldehyde free Terra Diesel Exhaust Fluid Nationwide
- 2.** Automatic deliveries from our specialized DEF delivery fleet
- 3.** Computerized data of delivery, including vehicle number, date, time, & gallons
- 4.** Prevention of splash back that could cause eye damage from the ammonium in the product (eliminates potential workman's comp claims)
- 5.** Eliminates potential fines from OSHA due to drums and totes that require special handling by law
- 6.** We remove all the liability of contamination & damage to your vehicle's motor if DEF is accidentally dispensed into the diesel saddle tank
- 7.** Inventory control: know where every gallon purchased went
- 8.** Web based reporting
- 9.** We provide a guarantee with an insurance policy naming your company as the loss payee with a \$10 million dollar liability coverage and misplaced product coverage
- 10.** Our program will provide you savings and safety
