

GET THE EDGE...

WINTER'Z EDGE®

by **DIESEL DIRECT®**

Formulated to safely and economically give you an edge when extreme winter weather challenges your fuel performance.

Performance benefits:

- ◇ Helps melt frozen fuel filters
- ◇ Helps restore fuel to liquid state
- ◇ Effective in diesel fuels including biodiesel blends
- ◇ Helps disperse water
- ◇ Free of harmful alcohols
- ◇ Complements Diesel Direct's RoadChamp® premium diesel

Winter'z Edge is a diesel fuel emergency treatment. It can either treat your diesel if extreme sustained cold approaches or be poured into your tank to dissolve clouded fuel.

This product is meant to complement Diesel Direct's RoadChamp premium diesel or other diesel fuels that contain biodiesel blends or aftermarket fuel additives.

Typical Treat Rate

- 1 gal. of Winter'z Edge treats 500 gal. of fuel
- 32 oz bottle treats 125 gal. of fuel. Higher dose rate may be required for extreme conditions.
- For filters with clouded fuel, add a 50% fuel & Winter'z Edge mix to filter & pour remaining bottle contents into fuel tank.

Typical Properties

Appearance	Clear liquid
Specific Gravity, 68/68°F (20/20°C)	0.8676
Density, lb./gal, 60°F, (15.6°C).	7.24
Flash Point, PMCC, °F (°C)	132 (55)
Pour Point, °F (°C)	<-40 (-40)
Viscosity, cSt @ 100°F (37.8°C)	2.12
