

**DEF Direct reduces driver downtime,  
increases driver safety and  
eliminates the hassles of handling Diesel Exhaust Fluid.**

# **SO YOU CAN FOCUS ON THE ROAD AHEAD.**

## **What is DEF Direct?**

Companies large and small nationwide rely on DEF Direct for the safe handling and dispensing of their Diesel Exhaust Fluid (DEF). Comprised of an entire fleet of DEF equipped vehicles, Diesel Direct's on-site DEF replenishment service is operated by trained professionals that specialize in safely and efficiently handling DEF. Our DEF techs deliver directly into your vehicles; dispense the product using weights and measures certified equipment; and fill your DEF tanks on a regular schedule.

## **How does DEF Direct secure my drivers and my business?**

With DEF Direct, you avoid taking unnecessary risks and can enjoy the peace of mind that comes from knowing your drivers are safe. Diesel Direct makes sure your drivers never go without DEF, and they are always operating within Environmental Protection Agency guidelines. In fact, DEF Direct comes with the guarantee of service and safety.

## How do I monitor DEF usage?

Every gallon of DEF that is dispensed is captured by our state-of-the-art web-based reporting system. Through our Fuel Intelligence Customer Portal, you can easily see where every purchased gallon went and all the details associated with it: vehicle number, date, time and amount. The technology is simple to use and seamless. This data-driven solution makes accurate billing, management and tighter inventory control easier than ever. It's all part of our innovative approach to streamlining fuel supply, delivery and management.

## The Diesel Direct guarantee includes \$10 million in liability coverage:

- + DEF Direct removes your liability for contamination and damage to vehicles' motors if DEF is accidentally dispensed into the diesel saddle tank.
- + DEF Direct eliminates potential OSHA fines. You can rest assured knowing that all your DEF drums and totes are being handled in accordance with the law.
- + DEF Direct provides an insurance policy naming your company as the loss payee – with \$10 million in liability coverage and misplaced product coverage.
